# CO-LOCATION

WHEN YOU CHOOSE TO WORK WITH ESB TELECOMS LTD FOR YOUR CO-LOCATION NEEDS, YOU'RE PARTNERING WITH A VERY EXPERIENCED TEAM TO INTEGRATE ALL ASPECTS OF YOUR NETWORK, ENGINEERED AROUND YOUR SPECIFIC NEEDS.

We've got Point of Presence (PoP) locations at key sites around Ireland, directly accessing Metropolitan Area Networks and our towers portfolio. Each of the country's major telecommunications operators are fully interconnected with us, and all PoP sites are fully secured and constantly monitored.

All of which means peace of mind and dependability 24 hours a day, 365 days a year, with unrestricted local access to your own network.

PARTNERSHIP EQUALS POSSIBILITIES

Partnership with ESB Telecoms Ltd brings more than heritage and experience. Knowledge, help, whole-hearted commitment and a willingness to go the extra mile also come as part of the package.

We want our experience and resources to become key enablers for your business success. Our dedicated account managers are there to share that experience and offer the full support and backup that your operations need.

CO-LOCATION MEANS BEING THERE FOR YOU

Naturally there are specific requirements when you need co-location services, and the benefits of partnering with ESB Telecoms Ltd mean that we've got everything covered.

From safety training and a reliable power supply (including back-up power), to security provision and easy access, our aim is total service of your needs.

We'll provide bespoke rack and power options and customer zones. We offer a dedicated footprint on site for our customers' cabins. If you need remote access control and monitoring, you've got it.
